Contributed by Brad Anderson

At FT. Bend Hightower Coach Johnson has a program in place that produces D-1 players almost every year and 2006 will be no different. With 10 senior's on their way out of the program at Hightower the Coaching Staff there is fielding calls from around the nation on some of their players. Its not to late in the game to get one of these players to come play for your college, with only one of the ten players below having committed to a school so far. If any recruiter would like more information on any of the players below you can email Coach Wylie: [Tim.Wylie@fortbend.k12.tx.us](mailto:Tim.Wylie@fortbend.k12.tx.us)

## 2007 PROSPECTS

First we will be taking a look at Briley Worthington a player at Weatherford that made plays on both sides of the ball and on special teams. After being named All-District at DB as a JR., the coaching staff need some help on the offensive side of the ball and Briley was the first to help out. Playing both QB and WR during his SR's, Worthington helped the Roos of Weatherford to the playoffs for the second year in a row. If any recruiter would like information on Briley Worthington you can contact The Weatherford Coaching Staff: 817-598-2935

Next we will be taking a look at Patrick Daugherty, an offensive lineman out of Forney. At close to 6'4 275, The All-District lineman has the size to take on any D-Lineman out there, and the speed to get to the second level and take out moving linebackers. If any recruiter would like more information on Patrick you can call Coach Rush at: 972-564-7000.

Another prospect in the class of 2007 you will want to take a look at is Lake Dallas QB Chase Baine. All Chase did was end the year with over 3,000 total yard and 25 TD's, and with a completion percentage over 60% Baine has the arm to play at the next level. While having good stats is great, the QB also led his team to a 11-2 record and a deep playoff run. If you would like more information on Chase Baine you can contact Coach Young: 940-497-1424

HIGHLAND PARK SCOTS

Highland Park is a highschool in North Dallas that has some of the best traditions in Texas football. After winning a State Title in 2005, Coach Allen and his staff had to replace 21 of 22 starters with the only returning starter being RB Alex Carroll. Many think of replacing 21 starters as rebuilding, at Highland Park they call it reloading. With another run into the playoffs this year, Coach Allen's coaching staff will have less work to do this offseason with a good number of players returning for the 2007 season. With Junior's like D-lineman Jamie Nolan, LB Brett Martin and Sophomore DB Matt Bonano returning on defensive, Highland Park looks to be in very good shape this coming season. On the other side of the ball The Scots will need to find a little more help, but returning is one of the top WR's in District 10-4A Seth Gardner and up front O-tackle Blake Davis will continue his great play while a new backfield gets up to speed. Here is a first look at this past years Highland Park team. If any recruiter would like more information you can Contact Coach Allen: 214-780-3035
